

Casino Hand Trucks

Valley Craft's Casino Hand Trucks include our unique hand brake system and provide a much safer and more efficient way to move heavy loads on steps and inclines. This heavy duty truck features a sliding frame, available in two sizes, that helps the operator to more easily break over heavy loads. The frame-and-shoe assembly can slide downward as the truck is tilted back. Rear swivel wheels help prevent loads from tipping back as well as providing ease of movement. Includes secure strapping attachment that prevents twisting and allows rapid rewinding. A ratchet securely tightens and locks the strap to secure the load. Quick release lever unlocks strap. Unit adjusts vertically on a mounting bar and can be set at the most accurate point in relation to height load. 15' nylon strap included. Heavy duty pneumatic tires provide a cushioned ride.

Model	Description	Frame H x W x D	Shoe Size	Load Cap (lbs)	Prod Weight (lbs)
F89699	Casino Hand Truck	49¾" x 23" x 32"	8" x 23"	1000	85
F89206	Casino Hand Truck - Ext Frame	61½" x 23" x 33"	8" x 23"	1000	92

Cylinder Hand Trucks

Spark-resistant Aluminum Cylinder Trucks for safe, efficient handling of pressurized tanks. Choose the heavy duty single frame for cylinders 9" in diameter, or the multi-tank frame that fits over the regular box frame for use with most standard size cylinders. Balanced frames roll easily on 12" x 3½" fully-pneumatic tires and feature hand brakes for added safety. Multi-tank frame is available with and without brakes. 1" steel axle is enclosed in protective housing with sealed bearings. Trucks are constructed of 1½" O.D. aluminum tubing with notched joints and solid welds. 600-lb. load capacity.
